1 INTRODUCTION

These terms and conditions form part of the agreement between the client (**You, Your or Yourself**) and Axis Inc. (International Business Company Number 24078 IBC 2017) (**Axis, We, Our, Ourselves or Us**). They govern Our dealings with You in relation to Our Products and Services.

You should carefully read this Agreement in its entirety, including all documents listed below, as well as Our Privacy Policy on Our website.

The Agreement between You and Us is constituted by the following documents:

- The Application Form
- The Products Disclosure Statement (**PDS**)
- The Product Schedule; and
- The terms and conditions set out in this agreement, and any additional terms and conditions issued by Us and accepted by You in connection with Our dealings with You (together, the **Agreement**).

The following documents explain the basis of Our dealings with You but do not form part of the Agreement:

- Our Privacy Policy;
- Our Website, which includes Our Trading Platform.

All transactions You enter into pursuant to the terms and conditions of this Agreement carry a high level of risk and can result in losses that exceed Your initial deposit. A more detailed explanation of the risks is described in section 5 of the PDS (Risk Warning). You should ensure that You fully understand such risks before entering this Agreement and any transactions with Us.

By signing and returning or electronically submitting the Application Form or by taking any action consistent with agreeing to these terms and conditions, You are confirming that You:

- Have received, read and understood this Agreement, including Our current PDS; and
- Agree that We will provide Our Products and Services to You on the terms and conditions of this Agreement.

When We open an account for You, You will be bound by the Agreement in all Your dealings with Us. Contracts that arise out of the transactions We conduct with You under this Agreement are legally binding and enforceable.

You must therefore read this Agreement carefully and seek professional advice if necessary. You should particularly take note of the clauses which deal with Margin, those that set out the rights to terminate and/or close out a Position and those that relate to the termination of this Agreement and closing of Your Account, as You need to clearly understand these important terms and the implications arising from Your failure to comply with these terms.

2 GENERAL INFORMATION

2.1 PRINCIPAL

We act as Principal in all Our dealings with You. Accordingly, We will be the counterparty to all of Your trades.

Unless We otherwise agree in writing, You will also deal with Us as principal, and not as an agent or representative of another person.

If You act on behalf of a principal, whether or not You identify that principal to Us, such Principal will not be a client and We do not deal with You unless We otherwise agree in writing (on satisfaction of Our requirements).

If You are a principal and wish to deal with Us through Your agent, You agree that We will be entitled to rely on any instructions given to Us by the agent in relation to Your Account. But, from time to time, We may require confirmation that the agent has the authority to act on Your behalf.

2.2 NO RECOMMENDATION, ADVICE OR OPINION

We do not make or give any recommendation, advice or opinion. We deal with You on an execution-only basis only. We do not take into account Your particular financial situation or goals. You should obtain Your own independent financial, legal, taxation and other professional advice before entering into this Agreement or any Margin FX Contract or CFD.

2.3 ALL TRADES AT YOUR OWN RISK

We are under no obligation:

- (a) To satisfy Ourselves as to the suitability of any Position for You (see section 2 of the PDS for Our general client suitability obligations);
- (b) To monitor or advise You on the status of any of Your Positions;
- (c) To prevent You from trading beyond Your means or ability or to protect You; or
- (d) To close any open Position.

All trades will, therefore, be made at Your own risk and to the maximum extent permitted by law, We will not be in any way liable for any claims, damages, losses (including consequential losses) or injury suffered or incurred by You as a result arising out of any statement, information, or communication provided by, or on behalf of, Us or any financial adviser:

- a. relating to a trade entered into, or proposed trade to be entered into by You under this Agreement; or
- b. In relation to any financial product that You may deal in under this agreement.

For further information on the risks associated with Our Products and Services, please refer to section 5 of Our PDS.

3 OUR TRADING SERVICE

Our trading service is an online service. You specifically consent to the receipt of documents and information about Us and Our Services, costs and charges and Our notices via email, website or other electronic means. Upon Your request, We will send You the PDS in paper form at no charge.

You undertake that in the event that You are unable for any reason whatsoever to open or close a Position because of technical difficulties You may be having with Our Trading Platform, You will immediately telephone Us. Our contact details can be found on the "Contact Us" page of Our website.

6 ACCOUNT OPERATION

6.1 OPENING

After We accept Your Application, We will open an Account in Your name. The Account may be split into different sub-accounts denominated in different currencies or commodities. Reference in this Agreement to Your Account are taken to include reference to sub-accounts or the relevant sub-accounts as the case may be.

We may, at Our absolute discretion, refuse to open an Account for any reason We consider appropriate. Each Account will have a Base Currency.

6.2 ACCOUNT INFORMATION

- (a) You undertake and warrant to Us that any information provided to Us at any time is accurate, true and correct and that You will immediately inform Us of any changes to that information.

- (b) You are required to keep confidential all security information relating to Your Account, including but not limited to any username, account number, user ID and password. Once You have established this security information, We have no obligation to verify the authority of anyone using this information to operate Your Account. If You are aware or suspect that these items are no longer confidential, You should contact Us immediately.

6.3 INTRODUCING BROKER

You understand and agree that if Your Account with Us is introduced by an Introducing Broker, the Introducing Broker:

- (b) May be authorised by Us to view trades on Your Account.

6.4 AUTHORISED PERSONS

You may, by written notice to Us, change the persons who are authorised to give Us instructions on Your behalf. This can include an Introducing Broker, but We will require an authorisation by You under a power of attorney or other permissible evidence of authority granting such Introducing Broker the right to trade on Your Account. You agree to produce the original of any such power of attorney or other permissible evidence of authority to Us on request (or a copy that has been certified as a true copy in a manner acceptable to Us).

We are not bound to act according to any such variation until We receive written notice and agree to such requested change. We are also under no obligation to verify the authority of any person who purports to be authorised by You in connection with this Agreement.

6.5 CHARGES AND CREDIT TO YOUR ACCOUNT

- (a) You agree to pay Us the interest, charges and fees as specified in this Agreement from time to time and receive the benefits set out in this Agreement.
- (b) Any charges will be deducted from Your Account the day following the day on which the charges were incurred, and benefits will be paid the day on which they are derived. Deductions from Your Account will be made any time without notice or recourse to You.
- (c) If We discover that We have made an error in respect of any fee calculation, We will rectify that error by giving You written notice within twenty-eight (28) days.

- (e) If a Position is closed at a profit, that profit will immediately be credited to Your Account and Your available trading resources will be adjusted

accordingly, subject to this clause 6 (Account Operation) and clause 7 (Trading).

6.6 CORRECT DESIGNATION

It is Your responsibility to ensure that monies sent to Us are correctly designated in all respects, including, where applicable, that the monies are by way of Margin and to which of Your Accounts they should be applied. We will provide You from time to time with details of such arrangements as may apply to making payments to Us, which may include permitting payments in different currencies as notified by Us to You.

6.7 INCORRECT CREDITING OF ACCOUNT

- (a) Limitation of liability: Except in the case of Our fraud, We do not accept responsibility for, nor are We liable for, any loss or damage suffered by You as a result of You trading on monies deposited in or credited to Your Account in error by, or on behalf of Us.
- (b) Permitted deductions: We are entitled at any time to deduct, without notice or recourse to You, any monies deposited in, or credited to, Your Account in error or on behalf of Us.

6.8 REPORTING TO YOU

We will provide You with Confirmations and Reports via Our Trading Platform or by email.

Any confirmation or Report will, in the absence of obvious error, be conclusive unless You notify Us in writing to the contrary within two (2) Business Days of the Confirmation or Report being issued. You will access and use the Trading Platform to confirm all Your Positions with U, to download and view the Confirmations and Reports and to monitor Your obligations under this Agreement.

6.9 DELIVERY OF CONFIRMATIONS AND STATEMENTS ELECTRONICALLY

At any time, You execute a transaction with Us, a confirmation of the executed trade will appear in the Trading Platform. Daily and monthly statements will also be made available to You through the Trading Platform following their respective trading periods. You may print the daily and monthly statements for Your records.

6.10 OPERATING YOUR ACCOUNT THROUGH OUR TRADING PLATFORM

When using Our Trading Platform, Your Positions may be viewed at any point in real-time, as well as deals, orders, pending orders and available statements using the dealing platform. You agree to use the Trading Platform to:

- Confirm all transactions entered into with Us; and
- Monitor Your obligations to Us.

We may make available to You documents, including those which have the effect of amending the Client Agreement by either:

- Sending them to Your email address or other means;
- Posting them on Our Website;
- Sending a link to the relevant document by either email or other electronic means; or
- Sending them as otherwise permitted by law.

6.11 DAILY STATEMENTS

Following Our end of day settlement time, provided You have dealt with or have an open Position, or a balance, We will electronically produce a daily statement which will be emailed to You and made available on the Trading Platform. Daily Statements include details of:

- Your open Positions;
- Your new Positions;
- The opening cash balance on Your Account, together with details of Account movements such as deposits, withdrawals or settlements;
- Your closing Account balance for the day;
- Profits or losses made on Open Positions (Your open trade equity);
- The value of Your Positions and movements on Your Account in the currency in which Your Account is denominated, indicating, where appropriate the consolidated rate used;
- Other items affecting Your Account such as Rollover Benefits or Rollover Charges applied to Your Account;
- Your Total Margin Requirement; and
- Your Margin excess or deficit.

6.12 MONTHLY STATEMENTS

Following month end, We will email You Your trading statement. The trading statement will also be available on the Trading Platform. This will provide the same details as the daily statements but cover all account movements and Positions open for the month.

6.13 CHECKING OF CONFIRMATIONS

It is crucial You check all the contents of the Confirmations of Your trades and You contact Us immediately if You disagree with any of their contents. The Confirmation will, in the absence of manifest error, otherwise be conclusive. The time from which You must contact Us commences from time to time the Confirmation is available on the Trading Platform, although We may also send the documents to You electronically via email.

6.14 CHECKING OF STATEMENTS

It is crucial that You check all the contents of the daily statements and monthly statements in detail. If You disagree with any of the content, You must contact Us within three (3) Business Days. In the absence of manifest error, these documents will be conclusive unless You notify Us in writing of the contrary within three (3) Business Days.

The three (3) Business Days commence from the time the document is available on the Trading Platform, although We may also send the document to You electronically via email.

The summary of Your financial position will provide You with Your Margin Position, and indicate to You whether You are approaching Your minimum Total Equity balance. It will also indicate the excess funds available, if any, that You may either use to open new Margin FX Contracts or CFD Positions or withdraw. It is very important that You remain aware of Your daily Total Equity balance, Your Total Margin Requirement for Your open Position(s) and any Free Equity available.

7 TRADING

7.1 NO RIGHTS IN UNDERLYING INSTRUMENT

A trade does not entitle You to any rights in relation to the Underlying Instrument being traded and You will not be entitled to delivery of the Underlying Instrument; nor will You acquire any ownership or other such rights in relation to it.

7.2 INSTRUCTIONS

(a) By internet:

- a. You may open or close a Position and execute Limit orders and Stop Loss orders on a trade opened with Us via Our Trading Platform.
- b. We will have no liability to You if any internet connection is lost with the result that You are unable to trade at any given price.
- c. We do not warrant the Trading Platform will be available or accessible when the exchanges on which the Underlying Instrument in respect of which You have traded or wish to trade are open and We reserve the right altogether to reduce the Trading Platform service at any time for any purpose without thereby incurring any liability to You.
- d. If Our computer records are at a variance with Your own records or recollection of Your trading, the version of events recorded contemporaneously by Our computer will prevail and Our obligations to each other (including the obligation to pay any money) will be assessed and calculated on the basis Our records are correct and conclusive evidence of the matters they record.
- e. Subject to clause 7.3, any order or instruction sent by You via the internet will only be deemed to have been received and will only then constitute a valid instruction and binding Margin FX Contract or CFD between You and Us when such order or instruction has been recorded and accepted and confirmed by Us to You.

- (b)** If You execute an order on the Trading Platform, You are deemed to be making an offer to trade at the price quoted. A Product contract and the quoted price offered by You will not be binding until Your order has been accepted and confirmed by the Trading Platform. We reserve the right to decline to enter into any Position proposed by You and are under no obligation to provide You with a reason. We will, however, provide You with prompt notice in accordance with clause 22 (Trading Platform) of this document in such event.
- (c)** We may, from time to time, require Your instructions in respect of any Position or proposed Position. You must promptly provide Us with those instructions through the Trading Platform. If You do not, We may, in Our absolute discretion, take all steps We consider reasonably necessary for Our or Your protection, which will be at Your cost.

7.3 INSTRUCTIONS NOT A CONTRACT

When You transmit an order or instruction to Us, this does not automatically give rise to a binding Margin FX Contract or CFD between You and Us because any order made by You is always subject to Us accepting Your offer and such order having been recorded as accepted and confirmed by Us to You. You are responsible for inquiring of Us if a Confirmation is expected in relation to a transaction, but has not been received by You.

7.4 NATURE OF QUOTE

A quote given to you by one of our traders is not an offer to contract. If you indicate that you wish to trade at the price quoted you will be deemed to be making an offer to trade at the quoted price and our trader will be entitled to confirm or reject that offer. No trade will be effective unless and until such confirmation is given.

7.5 AMENDED QUOTES AND MARGIN FX CONTRACTS

When You make a request to place an order outside the normal trading size, We may:

- (a) Provide an amended quote of the Contract Price originally quoted by Our Trading Platform; and/or
- (b) Make the quote subject to special conditions and requirements

as We consider fair and reasonable and as notified to You by Us at the time of the order being considered by Us.

This may occur, for example, when You place an order outside the Normal Trading Size, or the aggregate of Your order and all other orders for a Margin FX Contract or CFD is outside the Normal Trading Size, or to take account of any change in market conditions since the original quote. Such amended Contract Price will be determined by Us as We consider fair and reasonable having regard to the applicable prices and costs of entering into a transaction of that size on the relevant market.

You will not be obliged to proceed with any order for which special conditions and requirements are notified to You by Us. For example, We may quote a revised price applicable to the proposed Margin FX Contract or CFD which You may, at Your

absolute discretion, accept or reject. The amended quote may no longer be available if there is any delay in acceptance.

7.6 CONFIRMATION OF INSTRUCTIONS

Although We are not obliged to, We may also require confirmation of any order or instruction:

- (a) If any instruction is to close an Account or remit money to You; or
- (b) Otherwise, if it reasonably appears to Us that confirmation is necessary or appropriate.

7.7 ACKNOWLEDGEMENT OF INSTRUCTIONS

Instructions may be acknowledged orally or in writing by Us, as appropriate.

7.8 FURTHER INSTRUCTIONS

We may require instructions from You in respect of any Margin FX Contract or CFD or proposed Margin FX Contract or CFD and if We do, You must promptly provide Us with such information. If You do not, We may in Our absolute discretion take all such reasonable steps at Your cost as We consider reasonably necessary or desirable for Our or Your protection. However, this does not detract from Your responsibility to keep Yourself informed at all times as to the key dates and events effecting Your Margin FX Contracts and CFDs.

7.9 MINIMUM TRADING SIZE

The size of Your Position must exceed the Minimum Trading Size.

7.10 CURRENCY

- (a) All Positions will be entered into in the currency specified for the trade and will be converted into the Base Currency of Your Account at the live Exchange Rate for the purposes of calculating the components of Your account summary.
- (b) All payments made by You to Us and by Us to You will be converted into the Base Currency of Your Account unless otherwise agreed.

7.11 POSITION DURATION

With the exception of Cash CFDs and Commodity CFDs, a Position has no inherent limit to its duration and, subject to the payment of Margin and other relevant sums, can continue indefinitely. Without limitation, any Position opened by You may be closed by Us at the prevailing rate in the event of an Event of Default.

7.12 OPPOSING POSITIONS

You may run opposing Positions in the same market. A Position in a market where You have an opposing Position already open may be deemed to be an instruction to close out the earlier Position (to the extent of any overlap).

7.13 DIFFERENCE IN BUY AND SELL PRICES

You understand and acknowledge that there may be a wider difference between “buy” and “sell” prices You are quoted on closing a Position than when it was opened.

7.14 PROMOTIONAL EVENTS

Axis Inc. may run promotional events from time to time in relation to its Products. Each promotion is subject to its unique terms which may vary the terms and conditions of this Client Agreement. Clients must accept all terms and conditions of the promotion before You participate. If You do not agree with part or all the terms of each promotion, You will not be eligible to participate.

7.15 HEDGING DISRPUTIONS

In some circumstances, We may be unable, after using all reasonable efforts, to acquire, substitute, maintain, unwind or dispose of an underlying hedge position We consider necessary to hedge or protect Our exposure to the market and other risks arising from an open Position. - (b) Margin FX Contracts and CFDs (other than Excepted Contracts): Subject to clauses 10.11 and 10.12, Margin FX Contracts and CFDs other than Excepted Contracts close automatically at Close of Business on that Business Day and this will not affected the automatic closing of a contract under clause 10.4, with effect that the five (5) year will run from the date on which the contract

was first entered into and when such contract closes automatically under clause 10.4 it will not be reopened in accordance with this clause 10.4.

A Margin FX Contract or CFD will close at the Contract Value at the time of closing as calculated by Us, which will equal: Contract Price x Contract Quantity and as notified by You.

The Opening Value of that replacement Excepted Contract must equal the current Contract Price of the replacement Excepted Contract, multiplied by the applicable Contract Quantity. The amount is determined by Us and depends on factors including Our Swap Rate, being the rates at which You receive or pay interest on Positions that remain open overnight.

This is a varying rate dependent upon the applicable rate in the interbank markets for the currencies or Bullion, with the duration of Our discretion. No Swap Charge is paid or Swap Benefit is Spread that is applied at Our discretion.

This is because You are holding the lower yielding currency.

If You have a long US dollar/short Bullion Position and interest rates in the USA are higher than the Bullion Swap Rate You will receive a Swap Benefit at the Bullion Swap Rate if You hold the Position overnight and do not close it before settlement time. 11.9 SHORT MARGIN FX CONTRACTS

If You are short on a Margin FX Contract where the sold currency interest rates are higher than the bought currency interest rates You will pay interest at the Swap Rate if You hold the Position overnight and do not close it before the settlement time. We may, however, at Our discretion proceed to fill such an order notwithstanding that Your account has insufficient trading resources to cover the initial Margin for the trade which is to be opened.
